Mikayla Naidoo
Grade: 6
Teacher Sebe

My favourite hobby in the lockdown is baking. I love chocolate cake. I put together, Sugar, flour, cocoa powder and then I add oil, milk and eggs. I mix it together. I then pour it in a round baking pan. It has to bake for 20 minutes. After it is cool, I make an icing of my taste.

My favourite boardgame is scrabble which i play with my grandma.

I skip everyday for ten minutes. we also walk in the mornings.

I really miss school and the teachers but i have to stay home and stay safe till Schods reopen.

Wow what a busy lady Mikayla!

Erhan is showing how he keeps fit and has fun on PlayStation with his brother...
